GBS Radio

Welcome

Dear Praying friend,

Welcome to this special edition of our “Discover” newsletter which is dedicated to prayer.

Many of you who receive “Discover” have faithfully prayed for the GBS ministry over the years and we cannot thank you enough for this vital support. Without the ministry of prayer this work cannot continue and go forward under the guiding hand of the Lord. If you are not already one of our prayer warriors will you consider being part of this faithful group from now on? Why not use this newsletter to help you to get started!

Our outstanding need is still for new workers so that we can move the work on as the Lord leads.

In Christ,

J. Keith Stuffins (Secretary)

MONDAYS - THE "DISCOVERY" SPEAKERS

Arthur Howe

The "Discovery" speakers write and present the Bible teaching talks given on the programme.

Each series of studies consists of thirteen talks of around eight minutes each. The aim of the talks is to help listeners to understand and to apply the truths of the Bible to their lives.

Barry Cunningham

Some series explain the Gospel message and the way of salvation, for example a study in the book of Romans by Derek Lindley. To help those in teaching roles there are series on subjects in the Old and New Testaments, for example: "Redeeming Love" - Ruth The prophet Hosea Lessons from the Exodus Fellowship in 1 John

Booklets are sent without charge to a mailing list of listeners in Africa and the UK and to some former listeners in India.

FOR YOUR PRAYER
